a. This modification is issued to add to Part One, Table Four, SCLIN 0029BM for a one time electronic distribution of DBSign to all NMCI seats within CONUS during the period 07 May 2004 through 07 June 2004, as follows:

| Item   | Service  | Quantity | Unit Price  | Total Amount |
|--------|--|----------|-------------|--------------|
| 0029BM | One-time electronic distribution of DBSign to all NMCI seats within CONUS during the period 07 May 2004 through 07 June 2004 | 1        | \$70,400.00 | \$70,400.00  |

The Contractor will electronically distribute DBSign one-time to all currently deployed NMCI CONUS seats and to those CONUS seats deployed during the 30 days following task award. The Contractor will target the seats to receive the application, electronically deploy DBSign to the targeted seats, and validate that the application is operational at the user level.

The Contractor will:

- Test DBSign to make sure no negative impact will occur to the cutover NMCI CONUS seats. (Test was completed.)
- Make commercially reasonable efforts to ensure DBSign functions on seats where electronically deployed.
- Provide a final report of the deployment showing the number of targeted DoN CONUS NMCI seats that successfully received the application and the number of seats that failed to receive the application. Commercially reasonable efforts will be made to resolve installation failures.
- Help desk and problem resolution is limited to the remote installation of DBSign on the data seat. If the Contractor determines that the cause of a reported problem is other than the result of an installation failure, the help desk will close the trouble ticket and refer the NMCI user to contact their Government representative for resolution.

#### DoN Responsibilities

- Provide sufficient user licenses for the DBSign software prior to distribution.
- Provide any required user training, documentation, and manuals for using DBSign and DTS.

b. A conformed copy of the revised contract is made a part of this modification as a result of the changes outlined herein.

c. All other terms and conditions of contract N00024-00-D-6000 remain unchanged and in full force and effect.
